CERTIFICATE OF PROJECT COMPLETION

This is to certify that **Arhaanuddin M (232ELCS32)**, a student of B.Sc. Electronics and Computer Science, St. Joseph's University, Bengaluru, has successfully designed and completed the project entitled "Automated Peg Rotator for Vision Therapy Applications."

The project was undertaken under my authorization and guidance during October 2025 and was successfully completed on 30 October 2025. The device was developed as a healthcare-oriented assistive solution intended to support vision therapy activities involving eye tracking, visual focus, and hand-eye coordination.

I hereby certify that the project was completed to the required standard and fulfilled its intended objectives.
